BSW SeniorCare Advantage

Enrolling in a Medicare Advantage plan like BSW SeniorCare Advantage PPO can help lower your out-of-pocket healthcare expenses and give you many bonus benefits not available through Original Medicare.

Is a primary care physician (PCP) required to direct care?

No. You do not have to select a PCP to direct your care with BSW SeniorCare Advantage PPO plans. You can see a specialist without a referral.

How do you know if your provider is in our network?

Before you enroll, ask your local insurance agent about our provider directories or view “Find a Provider” online at BSWHealthPlan.com/Medicare.

How do you know if your prescriptions are covered?

Ask your local insurance agent or visit BSWHealthPlan.com/Medicare to view the formulary (drug list) and pharmacy directory.

Can you get treatment outside the network?

To maximize your BSW SeniorCare Advantage PPO benefits, all care (except for emergencies) should be provided by network providers; however, you have the choice to obtain services out-of-network at the time of service. Just know that if you use out-of-network providers, you will pay more in out-of-pocket expenses.

Coordinated care that gives you the power to live better

Baylor Scott & White Health Plan offers an integrated healthcare experience, which means your Baylor Scott & White Health doctors and your Medicare Advantage plan are on the same team, sharing resources and collaborating to help give you the best healthcare experience possible.

- ▼ Your Baylor Scott & White Health providers and your health plan use the same electronic medical records system to monitor your care. They collaborate easily and relieve you from reporting and sharing your information with each of your providers.
- ▼ You can access your medical information AND your health plan information in the same place – MyBSWHealth.com.
- ▼ There’s also a convenient app when you need your information on-the-go (MyBSWHealth app, available on the App Store or Google Play).
- ▼ MyBSWHealth is also your connection to \$0 virtual care visits with a Baylor Scott & White provider, anywhere in Texas.

It’s thoughtful, coordinated medical care and coverage, from a system you can trust.

Supplemental highlights

Hearing. As part of our commitment to helping with our members' overall quality of life, we offer essential hearing services that are not covered by Original Medicare, including a routine hearing exam and an allowance every three years toward the purchase of hearing aids.

Vision. Regular eye exams may do more than help maintain your vision. They may also help detect other serious health issues such as diabetes or high blood pressure.* Our 2024 plans provide coverage for a routine annual eye exam, plus an annual allowance toward the purchase of contacts, frames and lenses. You must use a network vision provider.

Dental. Original Medicare does not cover traditional dental care, but BSW SeniorCare Advantage PPO plans feature dental benefits through MetLife for no additional premium.

MetLife's Preferred Dentist Program is a dental PPO benefit. You can visit any licensed dentist – in or out of the MetLife PDP Plus dentist network – to receive benefits. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. Find a participating dentist at [MetLife.com](https://www.MetLife.com).

Fitness membership. Your BSW SeniorCare Advantage PPO plan includes fitness benefits with the Silver&Fit® program. This program helps you maintain or improve your fitness with classes, digital tools and healthy aging resources.

Over-the-counter allowance. The BSW SeniorCare Advantage PPO **Basic plan features** a quarterly purchase allowance (based on calendar quarter) from participating retailers for eligible over-the-counter items such as bandages, cold and allergy medicines, pain relievers and more. The **Platinum plan does not include** an over-the-counter allowance.

Supplemental benefits are included for no additional premium.

Affordable prescriptions

Affordable prescription drug benefits are included with both BSW SeniorCare Advantage PPO plan options. Our plans offer deductibles that range from \$50 to \$250 and copayments as low as \$0 for Preferred Generic Drugs. Your costs for some drugs may be less at pharmacies that offer preferred cost sharing. View the pharmacy directory to find preferred pharmacies near you.

Additional requirements or limits on prescription drug coverage include:

- ▼ **Prior authorization:** BSW SeniorCare Advantage requires you or your physician to get prior authorization for certain drugs. This means you will need to get approval from the health plan before you fill your prescriptions.
- ▼ **Quantity limits:** Coverage may be limited to how much medication you can get during a specified period of time, typically based on a 30-day period.
- ▼ **Step therapy:** This process applies to certain drugs and encourages you to try less costly but equally effective drugs before the plan covers another drug.

Mail order prescriptions

Mail order service is also available. Tier 1 and Tier 2 prescription drugs are available for a \$0 copay; Tier 3 and Tier 4 prescription drugs are available for two copays rather than three for a 90-day supply.

You'll benefit from:

- ▼ Three-month supplies of your medications with the option of automatic refills
- ▼ Free standard shipping
- ▼ Telephone access to pharmacists 24 hours a day, 7 days a week
- ▼ Helpful reminders to take or refill your medications

We encourage you to let us know right away, if after becoming a member you have questions, concerns, or problems related to your prescription benefits. For assistance, call our Customer Service Department at 1-866-334-3141 (TTY: 711), 7 a.m. – 8 p.m., October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m., Monday through Friday (excluding major holidays).

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-866-334-3141 (TTY: 711) October 1 through March 31 from 7 a.m. – 8 p.m., seven days a week (excluding major holidays); and April 1 through September 30 from 7 a.m. – 8 p.m., Monday through Friday (excluding major holidays).

Understand the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [BSWHealthPlan.com/Medicare](https://www.bswhealthplan.com/Medicare) or call 1-866-334-3141 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understand Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

BSW SeniorCare Advantage PPO is offered by Baylor Scott & White Insurance Company, a Medicare Advantage organization with a Medicare contract and subsidiary of Baylor Scott & White Health Plan. Enrollment in BSW SeniorCare Advantage depends on contract renewal with Medicare.

You must continue to pay your Medicare Part B premium.

Out-of-network/non-contracted providers are under no obligation to treat BSW SeniorCare Advantage members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
