

Quick Reference Guide

Thank you for being a member! Our priority is to provide you with an exceptional healthcare coverage experience. This Quick Reference Guide is designed to help you get the most out of your plan.

Using Your Benefits

Your plan offers access to thousands of in-network providers. Except for urgent and emergency care, all care must be accessed within the network.

While it is not required, we encourage you to select and routinely visit a Primary Care Physician (PCP) within the network to help manage your healthcare needs and coordinate your care with in-network specialists.

Finding a Provider

To search for a PCP or other participating doctors or facilities within your network, visit MyBSWHealth.com, log in and go to Find Care. Or, visit BSWHealthPlan.com/FindProvider. For assistance, please call Customer Service.

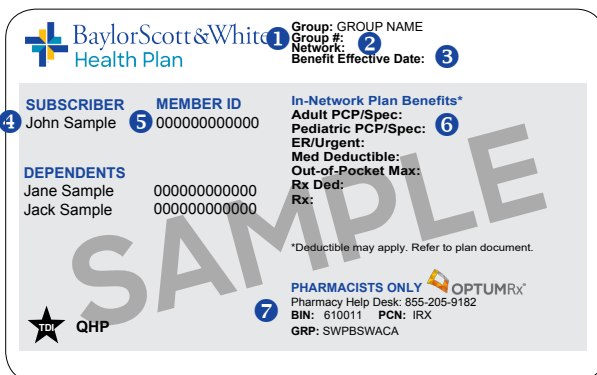

Paying your Premium

Baylor Scott & White Health Plan makes premium payments easy—at home or on the go using any computer, tablet or smartphone device. You can pay your monthly premium on-demand or set up recurring payments from your bank account. Auto drafts will be scheduled for the 27th day of each month. Visit BSWHealthPlan.com/Marketplace and click Set Up Auto Payment to learn more.

Understanding Your ID Card

Remember to carry your member ID card with you at all times. Present it when you receive care so your provider understands your coverage. A sample ID card is below. The information on your ID card may vary based on your plan benefits. You may also view your ID card online through MyBSWHealth.com or the **MyBSWHealth app**.

- 1 Group number
- 2 Network name
